LOCKERS

- **STUDENTS ARE NOT REQUIRED TO HAVE A LOCKER.**
- *AAHS will not be responsible for any item lost or stolen from a student gym, hall or athletic locker.*
- **We recommend that calculators, computers, clothing, money, any electronic devices and purses NOT be left in any locker.** Students are encouraged to keep their valuables secure or leave them at home. Any theft should be reported to the Dean of Students; however, Air Academy High School does not investigate the loss of personal items. Students are responsible for keeping their own locker in good working order, If the locker is inoperable, report it to the Dean's office or building manager for assistance. Lockers are school property and the expectation of privacy is lower than if it is the student's backpack or person.
- Students can sign up for a locker at check-in. Students who had lockers assigned previously will keep the same locker and combination and will **NOT** have to sign up.
