◆◆**Only Juniors** on track to graduate with credits can request one **PARTIAL ABSENCE (PA) per semester**: A Partial Absence is a block of time when students are NOT at school or scheduled into a class. They **may not** be on campus during this time unless they have checked in the office and have a specific reason for being on campus. Accepting a PA puts the responsibility on the student and parents for where the student spends this time (off campus). If used inappropriately, the administration may take away the PA. Also, truancies to other classes are not acceptable and may result in the PA being taken away. Students may not request a PA if they have failed a class in the previous semester. No credit is given for a PA, so students requesting PA's must be on track to graduate. Students are advised to check with college admission offices to determine if taking a PA impacts their admissibility. **Parent signature is required on this form stating that the student and parent understand the above!**

- **REMINDER: Double check graduation credits before signing up for a Partial Absence**
- **A PARTIAL ABSENCE CAN IMPACT YOUR ATHLETIC ELIGIBILITY!**

◆◆◆**My student may have a partial if she/he is on track with credits to graduate on time as well as passing all classes the semester before.** Yes No

I understand that the course schedule change requests will only be considered during Arena in August during Check-in.
