2016 Presidential Election Viewing Guide
Please engage in the coverage of this year’s election and complete this guide as though you understand the Importance of democracy in America. (In short, pretend you care!)

**Media Bias:** Throughout the night, please flip through the different media outlets and describe any bias that you witness or perceive. (HINT: FOX and MSNBC are renowned for having a perceivable bias). Use space below.

**Personalities:** Use the space below to describe the interesting people that you see throughout the night. These can be commentators, candidates, talking heads, etc…., but be sure to describe why you found them interesting.

---

**Open these websites for reference:**
To see what’s on your ballot: [https://ballotpedia.org/Main_Page](https://ballotpedia.org/Main_Page)

---

**Final Results:**
President/Vice President:

Presidential Electoral Count:

Colorado Senator:

U.S. House Representative from Co.Springs

House Control:

Senate Control:

Describe at least FIVE other races across the country that caught your eye.

---

Over!
**John King**: Watch CNN for a while and get to know John King. He is an electoral analysis superstar. Use the space below to describe why he is awesome and if you saw anyone else (on another channel) with a similar skill set throughout the evening. (When he gets in front of his magic U.S. map, I am memorized.)

---

**Colorado Ballot Measures:**
(Circle YES or NO to identify how these ballot measures do on Election Day.)

<table>
<thead>
