Civil Rights Movement Activity – 100 points
Task: Your group of 4 will be given a list of key people/topics of the Civil Rights Movement. You will complete the following activities:

1. Research your key people/topics – 25 points. You will have two class periods to complete the following:
   - Define Civil Rights in your own words
   - Identify some key factors preventing the movement. The obstacles and adversity they had to overcome.
   - Describe the significance of your key people and topics
   - Make connections between your key people and topics

2. Teaching your peers about your particular grouping – 50 points. You will have two class periods to complete the following tasks:
   - Your group will have 20 minutes to creatively present your information.
   - Use WeVideo or Animoto to introduce your topic (1-2 min). Determine how you will teach the main information to your peers (Peardeck, Prezi, skit, etc...).
   - Assess your peers to check for understanding – 25 points
     Come up with a way to assess your peers in class – Kahoot, quizzlet, wordsearch, crossword, etc.....

3. Presentations begin the week of Monday April 30.
